

West Towson Elementary 2015-2016 Bus Stops

The BCPS Department Of Transportation suggest that students should be at their assigned bus stop at the time of the first pick up, until they are able to establish a routine pick up time. They also advise that this will take approximately five to seven days from the first day of school. Once a routine pick up time has been established, students should be ready to board the bus five (5) minutes prior to their pick-up time.

Note: Stop descriptions are not necessarily in the order of bus pick up and drop off.
